

## **BLNC**

Learning from each other and with each other is part of our culture at Ashcroft Infant and Nursery School so we are proud of the collaborative work we undertake with other Tamworth Schools. We are part of a network of local Tamworth Schools and together we form the 'Belgrave Learning Network Community' (BLNC). This working partnership allows us to work alongside other local schools to collaborate and share expertise and support. Collaboration includes cluster meetings for subject leaders, NQTs and SEN, joint training days and head teacher meetings. In addition we provide each other with bespoke support where required.
