## ASHCROFT INFANT AND NURSERY SCHOOL

From today, Ashcroft School is on Facebook to offer timely updates to parents about what's coming up and lots more too!

We're very excited about implementing one of the most powerful communication devices and moving forward with the way we connect with our school community.

Placing our school communications in a space where our community goes to often makes a lot of sense.

We're also very keen to open up communications, so if you 'like' what we post, we'd love you to give us the Facebook thumbs up too.

To receive our updates just click **LIKE** on the school Facebook page.

We will be implementing a number of controls typically used by other organisations; these controls mean the page will not be as open as a personal Facebook page. Even with controls, it does rely on all those using the page to do so in a tone and spirit that helps us to build a strong and connected school community. We all need to be good social media role models for our children.

Find us at....
