

Nursery: What makes me special?

WOW: Game to match baby photos to children now.

LC1: What do I look like?

Home corner role play with familiar home objects
Acorn face templates for 'Amazing Acorns' tree
Natural collages of ourselves
Compare bears and size language
Toy cameras to take photos of each other
Pushchairs with dolls/babies and clothes
Sorting pictures from baby to current

LC2: Where do I live?

Shape houses (square, circles, rectangles and triangles)
Dolls house and furniture with small world people
Coffee play dough with eyes, pom-poms, pipe cleaners (3 bears)
Matching three bears to bowls, spoons etc of the correct size
Large house construction ~ wooden blocks/mega blocks
Porridge oats mark making exploration
Designing a bed for Goldilocks

LC3: How can I keep my body healthy?

Washing babies in the water tray and dressing them
Printing with carrots and tomatoes from our garden
Mark making on laminated face photos of children in nursery
Superhero capes and intro of characteristics of learning superheroes
Doctor box and equipment with poorly teddies
Concave and convex mirrors with pencils and clipboards

Reflection:

Can children confidently talk about themselves and things they like and dislike?
Can they talk about their home and family?
Do they explain how they are special?

Nursery: What makes me special?

WOW: Baby photo matching game.	
LC1	What do I look like?
LC2	Where do I live?
LC3	How can I stay healthy?
Reflection	Can children confidently talk about themselves and things they like and dislike? Can they talk about their home and family? Do they explain how they are special?
